<p><b>ITEM 67</b> [A] <b>DEMURRAGE RULES AND CHARGES</b></p> <p>For Demurrage Rules and Charges to apply, see Demurrage Freight Tariff RIC 6004.</p>	<p><b>ITEM 75</b> <b>SECURITY DEPOSIT</b></p> <p>For customers who have established credit with this railroad, a deposit to secure payment of all charges, including, demurrage, storage, detention, switching or other accessorial charge that may accrue will be required from such customer who has failed to pay demurrage, storage, detention, switching or other accessorial charges when due under applicable laws and regulations. (Customers as referred to herein shall mean any and all consignors, consignees, beneficial owners or other responsible parties.)</p>
<p><b>ITEM 70</b> <b>PAYMENT OF CHARGES</b></p> <p>Customer shall be liable for payments of the transportation charges accruing on a shipment and nothing herein shall limit the right of the BLR to require at time of movement, shipment or delivery the prepayment or guarantee of charges set forth herein, unless Customer has entered into an agreement for credit with the BLR. Customer will pay BLR immediately upon presentation of a bill therefor by BLR. If charges have not been prepaid, or customer has not entered into an agreement for credit with BLR, the BLR will not accept shipment from customer, make delivery of shipment to customer or accept request for any other movement of car without payment or guarantee of all outstanding or current charges.</p> <p>Acceptance of shipment by Customer shall be deemed acceptance of responsibility for payment of all charges accruing on the shipment, including, but not limited to demurrage, switching and all other charges that may be applicable. Such payment shall be in U.S. money and cannot be reduced to offset claims, damages to property, or for any other reasons.</p> <p><b>FINANCE CHARGES:</b> The BLR will assess a finance charge of 1.5% per month (18% per annum) on unpaid bills, including, without limitation, demurrage, switching and all other charges which are not paid within credit period. The finance charge continues to accrue daily until payment is received by this railroad.</p> <p>If BLR, at its sole discretion, uses a collection agency or attorneys to collect delinquent bills for freight or other charges and BLR is successful in collecting such charges, Customers shall reimburse BLR for all reasonable collection costs, including reasonable collection agency fees and reasonable attorneys' fees.</p>	<p>The deposit must be paid before any freight car or trailer is delivered to such customer for loading or unloading.</p> <p>The minimum deposit for each freight car will be the average amount per freight car of demurrage, detention, storage, switching or other accessorial charges outstanding at the time this tariff provision is invoked against Customer. The maximum amount of deposit will be determined by this railroad's credit office or through other alternative forms of security. The credit office may waive the minimum deposit per car by accepting a revolving deposit of \$1,000.00 to \$50,000.00 based on traffic volume. The deposit will be held in an escrow account to guarantee payment of and to be applied against any switching, demurrage, detention, storage or other accessorial charges which may accrue since the implementation of the security deposit arrangement.</p> <p>This railroad will refund the deposit or balance of the deposit within thirty (30) days after notification by its agents that the equipment has been released to this railroad. Any switching, demurrage, detention, storage or other accessorial charges will be deducted from the deposits before any refunds are made. The deposit or balance of the deposit may be transferable to another freight car to cover charges incurred since the implementation of the security deposit arrangement.</p> <p>Security deposits will no longer be required after the Customer has paid all outstanding switching, demurrage, detention, storage and other accessorial charges and has given assurance in writing to the satisfaction of this railroad's credit office that future switching, demurrage, detention, storage and other accessorial charges will be paid within the credit period.</p>
